

SPONSORSHIP & DONATION OPPORTUNITIES

Your contribution plays a crucial role in covering expenses such as **field maintenance, equipment, uniforms, trophies, and other essential costs**. Sponsorships also provide businesses with valuable community visibility and a direct way to support youth sports.

1. Monetary Donation to DAA Baseball (General Fund Support)

This option allows individuals or businesses to contribute directly to DAA Baseball's general fund, which supports league-wide needs such as field upkeep, equipment purchases, and facility improvements. Additionally, contributions can help provide **player scholarships** to assist families who may need financial support for their child's participation.

- **All donated funds** go towards the overall enhancement of DAA Baseball programs.
- **This donation is tax-deductible** and helps sustain the growth and success of our baseball community.
- **No advertising or team designation** is associated with this option—this is purely a charitable contribution to support youth baseball.

2. Team Sponsorship (Direct Team Support)

This option allows individuals or businesses to contribute directly to a specific team through a financial sponsorship.

- **All sponsorship funds** go into the designated team's account and must be **used in full by the end of the season**.
- **Any unused funds** at the close of the season will be **transferred to the association** and are **non-refundable**.
- This is a great option for family members, friends, and businesses looking to support a specific team without an advertising commitment.

3. Banner Advertisement Sponsorship (Advertising + Team Support)

This option provides businesses with the opportunity to **sponsor the league while also receiving advertising exposure** at our park through a customized banner.

- Sponsorship lasts **one full year (two consecutive seasons)**.
- Banners will be displayed for **approximately 9 months** (per county regulations, banners cannot remain up during the winter).
- Due to weather conditions, banners often need replacement after one year; **renewals require league approval**.

Cost Breakdown:

- The **cost of the banner** is deducted from the total sponsorship amount.
- **All donated funds** go towards the overall enhancement of DAA Baseball programs.
- **This donation is tax-deductible** and helps sustain the growth and success of our baseball community.

Artwork Requirements:

- All banner artwork must be **submitted to DAA for approval** before production.
- Businesses will work **directly with our approved vendor** for banner production (outside banners are not permitted for compliance and aesthetic reasons).
